

APSORC 25

7th Asia-Pacific Symposium on Radiochemistry 2025

September 14 (Sun) - 19 (Fri), 2025

Matsue, JAPAN

TOPICS

Nuclear chemistry
Radioanalytical chemistry
Actinide chemistry
Nuclear probe in chemistry
Activation analysis
Nuclear forensics
Radiopharmaceutical chemistry
Environmental radiochemistry
Education in radiochemistry
and other related topics

Also, sessions will be held based on the open call for applications.

VENUE

Kunibiki Messe
Matsue, Shimane, Japan
